

Southwest MS ARC
Meeting minutes –June 11, 2015
Brookhaven, MS

Members Present: n5znt, ad7kj, kg5frz, wu5u, kg5ba, kd5rgt, kd5hfq, kd5bqt, wb5asp, kd5wwj, n4rud, Destiny

N5znt opened the meeting at 7:01. Minutes from previous meeting not available for review.

- Motion made to hold July ARC meeting in Brookhaven at the KDMC Training room because of conflict of another meeting at SW Regional Medical Center.
- Diabetes Walk has been rescheduled for 10/24/15 in downtown McComb
- MS Tour for Cure is scheduled for October 10 & 11, 2015
- N5znt brought the new repeater for the members' review and advised that he is working on getting a cabinet for installing the repeater at the water tower. It is too large for the current repeater cabinet. A motion was made and passed for the amount of up to \$150 from the treasurer for purchasing necessary fixtures and connectors to install the repeater.
- Kg5ba advised the group of the special event remembering Hurricanes Katrina and Rita which will be held at the end of August. Special calls will be assigned to station coordinating this event. Frequencies and operating details will be published.
- Treasurer, kd5rgt, reported was currently \$1286.71. Last month \$500 for the new repeater and \$26.40 for renewal of W5wq club call were expended.
- Wb5asp will be responsible for next club meeting program on July 9 at Brookhaven meeting. The topic will be "The Victorian Internet." Review how the introduction of the telegraph and the following scientific advances are similar to the internet system today.
- Decision made to have Field Day as 1A MS for the club. Assignments given for getting material and event ready for June 27 & 28 in Brookhaven at the BRD on Hwy 51 North.

Program given by wu5u on the capabilities of the MFJ automatic tuner for working with HF radios.

Respectfully submitted: Homer Richardson, acting secretary
