

SwMsARC meeting minuets
October 8th, 2015
Brookhaven, Mississippi

The meeting was called to order by Club President, N5ZNT at 1910 after the VEs finished an exam for 2 passing Technician candidates. 12 in attendance for meeting.

The minuets for September 10th, 2015 were read and accepted by N5ZNT, after moved by WB5ASP and seconded by N4RUD. It was announced that our treasurer had been injured at work, earlier in the day, with no major injuries reported, at meeting time. The Treasures report was read by WB5ASP in the absence of KB5RGT, which started a discussion of old business of changing banks or not because of bank fees. One club member application with check for dues was delivered to N5ZNT.

N5ZNT stated he had 5 other agenda items, all calendar items, plus a program. He stated the prepared program can be presented after all club business is taken care of.

MS Tour for a Cure weekend of 10-10 and 11. More stations on Mississippi end would be nice. Times were to be coordinated after meeting, with participants. Operating frequencies were briefed.

Diabetes Walk in McComb Saturday 24th. A smaller scale operation of 1 mile walk and 5k Run. Operating frequencies and general locations were briefed, like the MS Tour Bike event.

The Club Picnic was verified as still scheduled for October 31st expect a head count of apx 25. The location is still at Friendship Baptist Church east of McComb and Summit. Eat about 4 PM. Directions were provided and a review of approved expenditures was also inquired.

No meeting for December because of the annual dinner. This year at Golden Coral, which has a buffet, in McComb. Dutch Treat on the Regular meeting night, December 10th.

Next meeting, in McComb Thursday November 12th, at 700 PM the regular time, with VE Testing at 530, if there are appointments. VEs would be notified as needed.

KG5BA requested a reminder that an ARES Net is 830 pm on the last Sunday of the month, each month. Please check-in so the numbers go to Malcom. KG5BA calls this net.

Meeting closed at 1927 and a short video program was made available, in three segments, by N5ZNT. "Vacuum Tubes" and "Police Light Bars" from How Its Made and "Smart TVs and Computer Camera Security" from WLBT, TV 3.

Respectfully submitted by Cullen Watts, AD7KJ.
