SwMsARC meeting minutes
Thursday, June 13th, 2019
Brookhaven, Mississippi

</div>

The meeting was called to order by Club President, N5ZNT at 1903. There is a separate sign-in sheet for 11 present. The next regular scheduled meeting is July 11th, in McComb.

AD7KJ read the meeting notes from April 11 in Brookhaven. N5ZNT moved to accept the report as read. None apposed. The treasurers report was presented by KD5RGT. A short discussion was noted about deposits and the balance.

In old business, (1) Comments were requested for 2019 Mississippi QSO Party. (2) The 42nd Annual Dairy Festival was June 1st in Tylertown. From N5ZNT, thanks to Scott KG5HGV, George AE5FS and Joe KE5HZU for set-up, operating and take-down and to AD7KJ operating and take-down. The question of QSL receiving and mail-outs and all club mail has been directed to N5ZNT. (3) Field Day is June 22nd and 23rd 2019. Allocation for duties and responsible parties for the many FD activities including publicity, social media and invitations for elected officials and served agencies were assigned. VE Testing scheduled for 10AM on Saturday (ONLY). A memorial display will be set-up for WB5ASP for the decades of service and hospitality that is-was Homer, to and for the club. (4) W5WQ web-page has new features. For an individual e-mail forward - type the specific call then dot then W5WQ.net, into the email-header. For a club broadcast message, in the header - type smarc@W5WQ.net.

New business, (1) The fall club Pic-a-Nic was bounced and debated. Group consensus was to relax the cooking-cleaning-organizing-meeting duties and meet for lunch at a Brookhaven cafe after the event rush. This "dutch-treat" location and date is to be determined later. The annual Christmas Dinner had been scheduled and reserved for 6PM Thursday December 12th, at Mr. Whiskers in McComb, thus why meet in Brookhaven.

At 2028 N5ZNT closed the business portion of the meeting for club computer training especially for digital operating and logging.

Respectfully submitted by Cullen Watts, AD7KJ.
